Select the eBook or browse the lesson resources

The screenshot shows the "Student Center" interface for McGraw-Hill MyMath. At the top, there is a red banner with the "MyMath" logo and "CCSS" in a circular emblem. Below the banner, the navigation path shows "Chapter 6..." and "Lesson 3...". A green button labeled "eBook" is circled in red. The main content area is divided into two sections: "Lesson Resources" and "Homework". The "Lesson Resources" section displays three icons representing different types of resources: a tablet, a document with the equation $25 + 2$, and a document with a person icon. The "Homework" section shows a message: "You have no assignments at this time." On the left side of the interface, there is a large yellow banner with the text "My Favorite Activities!" and an image of a smiling girl wearing a bicycle helmet, with a video player overlay showing her riding a bike.
